Press Conference Saturday, May 28

Focus: The Status of Fran Magazine and the Sea

- What:** Press conference to discuss *Fran Magazine's* history, the implementation of the *Fran Magazine* two year plan and its ripple effect on the sea, and the sea
- Who:** Sam Kuhlmann and Andrew Hume, editors, *Fran Magazine*
- When:** 1:00 pm, Saturday, May 28, 2005
- Where:** East end of MacArthur Park, on Alvarado, between Wilshire and 7th, Los Angeles

Background...

- ✓ Fran Magazine was established in 2002 as a larynx to the recently uncovered words of Prussian philosopher Fran Halsbourg.
- ✓ The sea is a body of water comprised of hundreds of millions of gallons of water and brine.
- ✓ **The status of *Fran Magazine* and the sea has been written, the future (*Fran's* 2 year plan) will be professed.**

*let's make a maritime of it: Q&A portion open to the press, rum served
